- f) Garage Sales May 9 & 10

10. ADJOURNMENT

Wykoff City Council Meeting Regular Meeting Minutes March 10, 2025 ~ 7:00 pm

A meeting of the Wykoff City Council was held in the Council Room at 106 Gold St. N. on March 10, 2025, at 7:00 pm. Attendees included Mayor Ryan Breckenridge, Jeff Hare, Barb Fate and Jane Baker. Also, present City Administrator, Becky Schmidt.

Agenda-Mayor Breckenridge called for any additions and noted that under Old Business – h) Ed's Museum, New Business – g) Pickup purchase. Motion by Fate and seconded by Baker to approve the agenda with the noted additions. Motion carried 4-0.

Consent Agenda- Mayor called for approval of the Consent Agenda. Becky reviewed an email from KLM requesting information for several accounts with the city. This ended up being fraudulent after Rick Whitney noted that this was not the correct email address for the company, and this was not approved at the previous meeting. She asked the council to make sure that anything they receive to know where it came from and if they had questions to call the office. She did forward this information to the Fillmore County Cyber Team. Motion to accept the consent agenda as presented by Hare and Fate. Motion carried 4-0.

<u>Visitors- Matt Harter</u> from Harter's Disposal of MN. Introduced himself to the council as their company had submitted an RFP for the Solid Waste Contract and hoped that they would consider the bid. He noted he is 4th generation in the company. They use a split body truck so both are picked up on the same day and have an expanded list of recycling materials they can take.

Chris Nagel spoke to the council as he is selling his property in Wykoff and has a question about the INI process. He recently had it inspected by Greg Stender for the city to review. He stated it appears that 27' of the line is cast iron with the remaining that will need to be replaced. His property is part of the Line Street project, and it will be torn up and replaced in that project. Greg Stender noted that the clay tile will need to be replaced. He was asking the council if he can hold off on repairing the line until the project is done. He stated he was willing to sign a document stating that whatever portion remains that is his to pay he will pay but did not want to tie up \$10,000-\$15,000 from a sale. Becky agreed that he had talked to her earlier in the day and felt that he could wait until after the street project is done to see what portion is left for him to pay for. As Rick Whitney just received the camera information from Greg, he had not looked at it and could not speak to the condition. Becky noted that she will contact the city attorney to draw up the document for him to sign. Motion by Fate and seconded by Baker to agree to the stay on the escrow account until more is known. Motion carried 4-0.

The Mayor asked to move up under Old Business item a) RFP Solid Waste Contract. He asked the three companies to speak to the council about their bids. He noted that as Harter had already addressed the council the other two could also address the council. Richards Sanitation from Caledonia representative noted they are a small-town sanitation company. He stated that their option two included the same size container (65 Gallon) for everyone and 95 gallon for recycling. Jason Nieson from Waste Management addressed the council stating that they have a long-standing relationship with Wykoff and would like to continue to service the city. He noted his bid included a five-year option which is a cost savings. Fate asked about the length of contracts with

Waste Management submitting a 3 year and 5-year option. Richards and Harter's were a 3-year contract. Becky clarified that the city does not do any of the billing. The three noted that it would be billed quarterly. Hare stated that he had contacted several of the cities that Richards serves and received very good comments from all of them. He also noted that we have had good service from Waste Management, and he has seen Harter's recycling centers and how well run they are. Richard's noted that their bid did not include taxes. Harter feels that each company should be bidding apples to apples if they had known that they could have presented a five-year contract, and their price would have been less also. Mayor asked if Harter's could amend their contract to five years at this time, Matt stated that he was not prepared to do that.

Kalib Himli arrived at 7:18 p.m.

Fate made a motion to accept Harter's bid. Mayor called for a second, hearing none motion failed. Motion by Baker and seconded by Fate to approve the contract with Richards Sanitation. Motion carried 5-0. Richards asked which option was chosen, with the council agreeing on Option #2. Becky stated that Commercial is not required to go with the city contract. Becky asked if the bid included picking up the two roll-offs at no cost to the city, which he agreed to. Becky asked that a meeting be set up with Richards and several council members to clarify the contract. Matt with Harter's noted that had he known the council would accept a five-year bid they could have done that and been more competitive. He could not understand why they are being allowed to change their bid. Becky stated no one is changing to a five-year bid and that Richards was higher than Harter's and less than Waste Management. The mayor stated the matter is closed as the council has voted. Harter questioned why they did not take the lowest price bid? Becky stated that the council has the right to reject any and all bids.

WWTP- Rick Whitney noted that the council had received information from Mission 123, a company that Rick is familiar with and has a system that will send an alarm if the tower is going to overflow or run out of water. At present Rick is having to do this manually every day. He also noted that he had been in contact with Morem Electric who has been working with him to fix the issues with the tower. He would like to hold off on making a decision of a company as Morem's would like to submit a proposal. Becky asked if he would also check with Beacon as they may have a program for this. He also noted the proposal from KLM, the company that submitted a bid for cleaning the tower. Maquire Iron, who has been serving the city, has not been in contact with him or the clerk's office for an inspection. He would like to change to KLM for \$3,600, a one-time service that is good for three years. Motion by Fate and seconded by Himli to approve the KLM proposal. Motion carried 5-0.

<u>Fire Department</u>—Fire Chief, Mike Lund reported that Alex Air Apparatus will be here this week to do the testing of the Air Packs. Mayor Breckenridge noted that he had received a call from a resident that the Chief had come to their home to assist in changing their batteries in their fire alarms. He thanked Mike for going above and beyond.

First Responders- Cory Bremseth, First Responder Director stated that there will be an EMR class being held in Spring Valley with Mike Zimmer and that we have four people taking it. He noted that it will cost \$300 per person and the money can be taken from the First Responders Budget. Recently three of the Fire Dept. took part in training on equipment to certify them for just driving the ambulance. He noted again that they will need more radios once they are all certified.

Personnel - No report

<u>Streets-</u> Baker attended the streets committee meeting and reported that when they are in town to repair the streets that the manhole covers should get repaired. Becky noted that they were included in the budget for streets.

Community Education- None

Park and Recreation, Joint Trails Board- Hare reported that they had a very good meeting and discussed many topics and would like to bring forward something new, celebrating Arbor Day on April 25th. Discussion followed and it was agreed to plant a couple trees on that day and to have the students at St. Johns take part. It was also agreed that on June 15th during the Wykoff Summer Picnic that a couple trees be planted at the Community Center, along with a short presentation by the State Forestry. Motion by Hare and second by Fate to purchase the trees using the budgeted money for tree replacement. John Goutcher and Kirk Affeldt will work with Jeff on the type of tree for that area with input from John Baker on placement. Himli volunteered to talk to the school and coordinate something with the school for Arbor Day. It was suggested to have some kind of thermometer displayed showing the trees that are being planted, Himli noted that private individuals may want to take part. Motion by Hare and seconded by Fate to have the Wykoff Summer Picnic to include the planting of trees and a short program. Motion carried 5-0. Himli reported that they would like to coordinate for the first ball game on the field to do the dedication for Al Williams sign and bench. It was also discussed having a cement area for the bench. They will be going out to get more bids for the lighting.

Zoning – Motion by Baker and seconded by Fate to accept the rescinding of the Petition to Vacate the Alley from Lyman and LuAnn Hare. Motion carried 5-0. Hare asked if they would get their money back, Becky noted that there were expenses involved so they would not get their money back.

Sheriff's Report-Mayor noted they were included in council packets.

Mayor's Report- No report

Old Business- Update on Grant Application for Library Funds-Becky stated that she had not heard on the status.

Cannabis Ordinance Discussion – Becky reported that she had sent to the city's attorney a copy of the proposed Cannabis Ordinance and The Tower Ordinance. Corrine felt that they both covered the city and did not have a problem with either. Discussion followed. Hare stated that he felt the council should adopt the Fillmore County Ordinance until more is known at the state level. Discussion followed. Motion by Fate and seconded by Himli to bring the Ordinance from the League to a public hearing. Motion carried 4-1.

Emailing Bills- Becky reported that there were approximately 30 who had responded to receive their statements via email. She noted the cost of the module would be \$695.00 but felt that the savings of mailing and paper costs would cover the yearly charge of \$195.00. Motion by Himli and seconded by Fate to move forward. Motion carried 5-0.

Wireless Tower Request- Motion by Hare and seconded by Fate to place the Ordinance for Telecommunication Towers on the Public Hearing. Motion carried 5-0. Council agreed to have the Public Hearing on April 14th at 6:30 p.m. Items to be placed on the Public Hearing are the I&I Ordinance and Application, Cannabis Ordinance and the Wireless Tower Ordinance.

New Siren Update - Becky reported that the new siren has been installed, and the testing was successful. She noted also that the council had budgeted \$30,000 for the siren and the cost was \$16,150.

MiEnergy Response to request – Becky reported that MiEnergy had denied the request from the City for them to pay the Fire Department bill for the response to the tree in the highline. Himli removed himself from the council table to state that he had not refused to let Mienergy trim any of the branches from the tree in question as was implied by MiEnergy. He returned to the table. Motion by Baker and seconded by Fate to waive the charges. Motion carried 5-0.

Ed's Museum update – Becky reported that the grant of \$44,000 was approved and should arrive shortly. However, she noted that the company Eagle Ridge Construction would like to make sure they have Ed's on their schedule but would need a \$4,000 check to begin. She noted that this money will be put back into the city's funds as soon as the grant dollars are received. Motion by Fate and seconded by Himli to approve the \$4,000 payment. Motion carried 5-0.

Pickup Purchase – Becky reported that the council had before them the specs for a pickup which John feels will serve the city well. This is an estate auction on April 19th. Discussion followed. She noted that the council had budgeted \$20,000. The Council agreed to bid up to \$32,000.

New Business - Resolution 2025-06 Adopting the Minnesota Basic Code of Ordinances, 2023 and Amendments

Resolution 2025-06
Adopting the Minnesota Basic Code of Ordinances
2023 Edition and Amendments
ORDINANCE NO. 10.01A
CITY OF WYKOFF
COUNTY OF FILLMORE
STATE OF MINNESOTA

AN ORDINANCE ENACTING THE CODE OF ORDINANCES FOR THE CITY OF WYKOFF, MINNESOTA,

ADOPTING THE MINNESOTA BASIC CODE OF ORDINANCES, 2023 EDITION AND

AMENDING, RESTATING, REVISING, UPDATING, CODIFYING AND COMPILING CERTAIN ORDINANCES OF THE CITY DEALING WITH THE SUBJECTS EMBRACED IN THE CODE OF ORDINANCES AND PROVIDING PENALTIES FOR THE VIOLATION OF THE CODE OF ORDINANCES.

WHEREAS Minnesota Statutes Section 471.62 authorizes the city to adopt the Minnesota Basic Code of Ordinances by reference, and Sections 415.02 and 415.021 authorize the city to cause its ordinances to be codified and printed in a book,

2023 Supp

NOW THEREFORE the City Council of the City of Wykoff, Minnesota, ordains:

Section 1. The Minnesota Basic Code of Ordinances, 2023 Edition, together with amendments and supplements contained therein, is hereby adopted and shall constitute the ACode of Ordinances of the City of Wykoff.@ This Code of Ordinances also adopts by reference certain statutes and administrative rules of the State of Minnesota as named in the Code of Ordinances. It is the intention of the City Council that, when adopting the Minnesota Basic Code of Ordinances, all future amendments and supplements are hereby adopted as if they had been in existence at the time this Ordinance was enacted, unless there is clear intention expressed in the Code to the contrary.

Section 2. The Code of Ordinances as adopted in Section 1 shall consist of the following titles and those existing city ordinances also listed in Section 3. (The city may choose not to adopt some sections of the MBC by crossing them off or omitting them from the list below. However, please note that the decision to exclude MBC sections should be made only with the advice of the City Attorney. Certain MBC sections contain provisions mandated for cities by state law. These sections are marked with an (*) below and should not be crossed off or omitted from the list below. Other provisions are not mandated by state law, but are highly recommended for promoting the public health and welfare within the city. These highly recommended provisions are marked by a (**) below.)

TITLE I: GENERAL PROVISIONS

10. General Provisions (*)

TITLE III: ADMINISTRATION

- 30. General Provisions (*)
- 31. Departments, Boards and Commissions (*)

	152.26	C-2 Commercial District (Adopted 3/10/2025)
	151.471	Residential Regulations (Adopted 6/12/2018)
	151.55	Zoning Right of Way (Adopted 3/10/2025)

Section 4. This ordinance adopting the Code of Ordinances shall be a sufficient publication of any ordinance included in it and not previously published in the city=s official newspaper. The Clerk of the city shall cause a substantial quantity of the Code of Ordinances to be printed for general distribution to the public at actual cost and shall furnish a copy of the Code of Ordinances to the County Law Library or its designated depository. The official copy of this Code of Ordinances shall be marked and kept in the office of the City Clerk.

Section 5. It is the intention of the City Council that, when adopting the Minnesota Basic Code of Ordinances and any supplements or additions to it, that all existing and future amendments to any state or federal rules and statutes adopted by reference or referenced in the Minnesota Basic Code of Ordinances and any supplements or additions to it are hereby adopted by reference or referenced as if they had been in existence at the time the Minnesota Basic Code of Ordinances and any supplements or additions to it was, are or may be in the future adopted, unless there is clear intention expressed in the Code to the contrary.

Section 6. It is the intention of the City Council that, when adopting the Minnesota Basic Code of Ordinances, all future supplements are hereby adopted as if they had been in existence at the time this code was enacted, unless there is clear intention expressed in the code to the contrary.

Section 7. The Code of Ordinances is declared to be prima facie evidence of the law of the city and shall be received in evidence as provided by Minnesota Statutes by the Courts of the State of Minnesota. A copy of the Code of Ordinances marked AOfficial Copy@ shall be filed as part of the official records of the city in the office of City Clerk. The City Clerk shall provide a copy of the Code of Ordinances to any person who requests a copy and shall charge that person the cost to the city of the copy of the Code of Ordinances.

Section 8. This ordinance adopting the Code of Ordinances, and the Code itself, shall take effect upon publication of this ordinance in the city=s official newspaper.

Section 9. Any amendments to a statute or rule adopted in this Code or any former code or ordinance which continues to be in effect, shall be included by reference as if the amended statute or rule had been in existence at the time the Code or ordinance was adopted.

Roll Call Vote those voting in favor: Jeff Hare, Barb Fate, Ryan Breckenridge, Jane Baker and Kalib Himli.

Voting against: none

PASSED BY THE CITY COUNCIL OF THE CITY OF WYKOFF, MINNESOTA THIS 10TH, DAY OF MARCH, 2025.

APPROVED:

s/s Ryan Breckenridge, Mayor

ATTEST:

s/s Rebecca Schmidt, City Administrator

<u>City Picnic Update</u> — Mayor noted that the date for the Wykoff Summer Picnic will be June 15h. Becky reported that it had been discussed at the Fall Fest meeting as they also helped the council with working on the event. There will be several new things planned for the kids, the Fire Department agreed to be there with the trucks and rigs for the kids to see, Becky will get all the food except for the potato salad which will be purchased from the Gateway Cafe. It was agreed to have music which Becky will check into, and the tables will be ordered through Party's Made Simple, planning on about 300. The Mayor would like special invites to the Fire Department, EMS and the S.V. Ambulance Department.

Advertising Fall Fest and City-Evans Publishing – Becky noted the cost is \$420 to be included in their summer travel guide. She noted that the Fall Fest in the past has paid half. Motion by Fate and seconded by Baker to approve the advertising to Evans for \$210.00. Motion carried 4-1 with Hare abstaining.

Arbor Day - Hare reported that St. Johns school has agreed to take part in an Arbor Day recognition by helping to plant a couple trees. Discussed where to plant the trees, Becky will work with John on the best locations.

New Revolving Loan Committee – Becky asked for two council persons to sit on the committee to review the three revolving loans on a yearly basis. Baker and Fate agreed to serve.

Brownfield Conference -St. Cloud-\$225 – Becky reported that she would like to attend the Conference as it deals with grant writing. Motion by Fate and seconded by Himli to approve the request. Motion carried 5-0.

The meeting was adjourned at 8:35 p.m.

Wykoff City Council

Emergency Meeting

March 13, 2025 ~ 2:00 p.m.

An Emergency meeting of the Wykoff City Council was held in the Council Room at 106 Gold St. N. on March 13, 2025, at 7:00 pm. Attendees included Mayor Ryan Breckenridge, Jeff Hare, Kalib Himli. Also, present City Administrator, Becky Schmidt and Administrative Assistant LuAnn Hare.

Mayor Breckenridge called the meeting to order and stated the purpose was to review the submitted contract with Richards Sanitation owners.

It was agreed that Option #2 was the choice of the council. Richards asked to discuss the option of the city doing the billing, as they do not do this for any of the communities that they service. Discussion followed with Becky noting that after looking at the software that the city has, there is an option to do the garbage billing. Becky stated that to do this in-house would not be too difficult as it would just be added to the utility bills monthly. Discussed those that may become delinquent, and Becky noted that as is done with utilities it can be put onto their taxes as an assessment. It was agreed that the city will take over the billing. To cover some of the costs a stipend can be added to the cost of the recycling charge.

Discussed sizes of receptacles and it was agreed that a 65-gallon tote for everyone for the garbage and 95-gallon for the recyclables would work best. If anyone wants to add a container they would need to keep it for at least one year. Richard's plan to deliver the totes between the 21st and 27th of April. Becky will check with Waste Management to see when they plan to pick up their totes and when the last day of service will be. Richards will be picking up on Wednesday, so they may have a start date of April 30th. LuAnn and Becky will work on a notice to put in the April newsletter letting residents know of the changes and if they want more than one tote of each of the receptacles, they should notify the office so they can be ordered.

Discussed the option of going on a five-year contract. Motion by Mayor Breckenridge and seconded by Hare to approve that change to the original RFP. Motion carried 3-0. Discussed the roll-offs for clean-up day which they can provide them.

Meeting adjourned at 2:35 p.m.		
Secretary	Date of approval	

Wykoff City Council Meeting Special Meeting Minutes April 3, 2025 2:00 p.m.

A Special Meeting of the Wykoff City Council was held in the Council Room at 106 Gold St. N. on April 3, 2025, at 2:00 PM. Attendees included Mayor Ryan Breckenridge, Jefff Hare, Barb Fate and Kalib Himli. Absent, Jane Baker. Also, present City Administrator, Becky Schmidt.

Mayor Breckenridge called the meeting to order at 2:00 p.m. and stated that the special meeting had been called to take part in the zoom meeting which was being held to open the bids for the 2025 Street Project. He then turned the meeting over to Brett Grabau with Stantec. Mr. Grabau noted that a representative from the Stantec office would be facilitating by reading the bids received. Shirley Lavell from Stantec, the moderator, closed the bidding at 2:00 p.m. and stated the company name and their bid for the eight companies who had submitted bids. Upon review, at this point the low bid was with Griffin Construction at \$599,997.00. Brett stated that he will summarize all of the bids along with a letter from Stantec for the council to act on at their regular meeting on April 14th. He stated he had been in contact with Bubany, and he indicated that he too would be present at the April 14th meeting to guide the council through the tax impact for the total project.

RESOLUTION NO. 2025-08

A RESOLUTION ACCEPTING RESIGNATION AND DECLARING A VACANCY.

WHEREAS, the Wykoff City Council has received the written resignation of Kaleb Himli, effective on April 10th, 2025.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WYKOFF, MINNESOTA AS FOLLOWS:

1. The council accepts Kaleb Himli's resignation as described above.

The council declares that a vacancy exists on council effective on April 10th, 2025.

Passed by the	City Council of V	Vykoff, Minneso	ota this 14th day	of April, 2025.
Mayor				
Attested:				
City Clerk				

April 10th, 2025

Dear Mayor Breckenridge

It is with regret that I must inform you that I will resign my position as Wykoff City Councilman, effective April 10th, 2025. I will be leaving this position for personal reasons that won't allow me to fulfill my duties as a City Councilman to the fullest extent needed.

I would like to say how much I will miss working with all of the great City Staff, and fellow council members. I can only hope that I have been of some value to the City during my short time on the Wykoff City Council.

Sincerely,

Kaleb Himli

Subject: Objection to Homeowner Assessment for Sewer Project

Dear Members of the Wykoff City Council,

I am writing as the resident of 226 Line St. N, regarding the upcoming sewer project and the proposed 20% cost assessment to be levied on homeowners.

While I fully understand and support the importance of maintaining essential infrastructure, I must respectfully dispute the decision to pass a portion of the project's cost onto individual property owners. Sewer systems are a fundamental and required municipal service, and it is my belief that the responsibility for funding such core infrastructure lies with the city, not the residents.

Additionally, this project does not offer any direct improvement to the value of our home. It is a replacement project to meet regulatory or functional requirements, not an optional enhancement or added amenity. Assessing homeowners for a service the city is obligated to provide—especially when it does not increase property value—places an undue and inequitable financial burden on residents.

I urge the City Council to reconsider this assessment model and, if not already done, to explore alternative funding options such as state or federal infrastructure grants or financing through general municipal funds.

Thank you for your time and service to our community. I look forward to your thoughtful review of this matter and a fair resolution that considers the best interests of all homeowners.

Sincerely,

Missy Musel

VIA EMAIL

The Honorable Ryan Breckenridge Mayor, City of Wykoff Wykoff Wastewater Treatment Facility 106 Gold St N Wykoff, MN 55990-0218

RE: Minnesota Biosolids PFAS Strategy

Dear Mayor Breckenridge:

On January 17, 2025, the Minnesota Pollution Control Agency (MPCA) released Minnesota's Biosolids PFAS Strategy (Strategy) as directed by the 2024 State Legislature. You are receiving this notice because your wastewater treatment facility (WWTF) is subject to the requirements of the Strategy, which applies to all WWTFs that manage biosolids by land application or Exceptional Quality (EQ) Biosolids.

Effective September 1, 2025, all WWTFs that land apply biosolids or generate EQ Biosolids must sample for per and poly-fluoroalkyl substances (PFAS) compounds before land application or distribution. This applies to biosolids land applied both as routine solids management and for a decommissioning or cleanout activity. If sample results show that PFAS is present in the biosolids, the Strategy lays out additional actions to be taken by the WWTF that increase in stringency for higher levels of PFAS. The Strategy is on the MPCA's website and contains additional details about why and what is required: https://www.pca.state.mn.us/air-water-land-climate/pfas-in-biosolids-strategy.

We recognize that WWTFs are receiving PFAS in the wastewater from local homes and businesses and that you're not producing or adding PFAS to the process. The Strategy will help identify source identification and reduction opportunities for your WWTF and support how you manage biosolids. It will also allow the farmers you work with to make informed decisions about their land. Other states have implemented similar efforts. The Strategy is designed to complement the existing requirements for managing biosolids in your National Pollutant Discharge Elimination System/State Disposal System (NPDES/SDS) permit or Management Plans for EQ Biosolids.

Please try to attend one of the following virtual informational sessions, where we will walk through the requirements, sampling guidance and other support materials, and you'll be able to ask questions:

- Dates for informational sessions. Watch the website, On Point Newsletter and email for more details.
 - Wednesday, May 14, 2025, 8:00 a.m.-9:00 a.m.
 - Thursday, May 29, 2025, 1:00 p.m.-2:00 p.m.

Good Afternoon

Hope everyone is doing well! You are receiving this email because your community has agreed to influent and in some locations biosolids sampling. These samples will be analyzed for the presence of PFAS compounds and will be reported back in concentration in the parts per trillion (ppt).

The workplan is finalized and we have contracted with Pace Analytical Services for the on-site influent sample collection and basic training for collecting PFAS samples in wastewater. The goal of the project will be to have Pace come to each of your locations and collect one influent wastewater sample and show you how to collect your own sample. The field tech will bring a sample kit for each community to collect their own influent sample at a later date. The sample kit will contain a chain of custody and a pre-printed fed-ex shipping label. Some locations Fed-ex may pick-up on sight when you call it in and others may have to bring their sample to the nearest drop off location. There will be no cost to you for shipping the 2nd sample back to Pace for analysis using the pre-printed shipping label. The cooler will need to have ice as there is a temperature requirement like most other wastewater pollutants. The 2nd sample will need to be set back to Pace no later then May 15th

submitted to Pace by May 15th, 2025 in order to analyzed for this project. There is a firmited amount of time available to use the funding for this project For those that are also collecting a biosolids sample, you will collect this sample like you would normally collect a biosolids sample for metal analysis. Pace will talk about general considerations before collecting a wastewater sample will on-site and folks should use those same considerations when collecting a biosolids sample. If at all possible try and send both the influent wastewater sample and biosolids sample back to Pace at the same time. Again they will need to be

Pace will likely start reach out to facility very soon and may even start on-site visits as early as next week. So look for communications from Daniel George from Pace in the near future

The hope is that through the two influent samples and biosolids samples it will help each community get an idea of PFAS concentrations coming into their treatment facilities. At this point we know that treatment for PFAS at the wastewater treatment facility will be very difficult at best, so source identification and reduction from external sources will be important. Knowing what concentrations you have coming into the treatment facility can help plan for what steps might be needed next. Once we get sample results back from Pace we will be sharing all the lab sheets directly with each community so you will have the data handy to review.

If you have any questions please let me know, feel free to call or email as needed.

Thank you

Bid Results

Dear Honorable Mayor and City Council:

Bids were opened for the Project stated above on April 3, 2025. Transmitted herewith is a copy of the Bid Tabulation for your information and file. A copy will also be distributed to the Bidders once the Project has been awarded.

There were a total of 8 Bids. The following summarizes the results of the Bids received:

	Contractor	Total Base Bid
Low	Griffin Construction Co.	\$599,997.00
#2	Generation X Construction LLC	\$613,868.30
#3	Alcon Excavating, Inc.	\$679,797.10
#4	Elcor Construction	\$684,452.70
#5	Danckwart Companies	\$688,978.15
#6	Rochester Sand and Gravel	\$693,075.95
#7	Shift General Contracting	\$727,900.10
#8	A-1 Excavating, LLC	\$767,767.00

The low Bidder on the Project was Griffin Construction Co. with a Total Base Bid Amount of \$599,997.00. These Bids have been reviewed and found to be in order.

If the City Council wishes to award the Project to the low Bidder, then **Griffin Construction Co.** should be awarded the Project on the Total Base Bid in the Amount of **\$599,997.00**.

Should you have any questions, please feel free to contact me at (507) 529-6030.

Sincerely,

RESOLUTION APPROVING THE ISSUANCE OF GENERAL OBLIGATION WATER REVENUE & DISPOSAL SYSTEM BONDS, SERIES 2025A; COVENANTING AND OBLIGATING THE CITY TO BE BOUND BY AND TO USE THE PROVISIONS OF MINNESOTA STATUTES, SECTION 446A.086 TO GUARANTEE THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE BONDS THROUGH THE STATE OF MINNESOTA PUBLIC FACILITIES AUTHORITY CREDIT ENHANCEMENT PROGRAM

- A. WHEREAS the City will issue bonds pursuant to an authorizing resolution; and
- B. WHEREAS the City chooses to apply for the State of Minnesota Public Facilities Authority Credit Enhancement Program;

NOW THEREFORE BE IT RESOLVED by the City Council of the City of Wykoff, Fillmore County, Minnesota (herein, the "City"), as follows:

- 1. The City Council hereby finds and declares that it is necessary and expedient for the City to sell and issue its general obligation bonds in the total aggregate principal amount not-to-exceed \$860,000 to fund the costs associated with the City's 2025 road and utility improvements project (herein, the "Bonds").
- 2. The City Council desires to proceed with the sale of the Bonds by negotiated sale to D.A. Davidson and hereby authorizes David Drown Associates, Inc. (herein, "DDA") to negotiate on behalf of the City.
- 3. The Mayor and the City Clerk are hereby authorized to approve the sale of the Bonds and to execute a bond purchase agreement for the purchase of the Bonds provided the Net Effective Interest Rate is 5.25% or less.
- 4. Upon approval of the sale of the Bonds by the Mayor and the City Clerk, the City Council will take action at their regularly scheduled meeting on May 12, 2025 to adopt the necessary approving resolution(s) as prepared by the City's bond counsel.
- 5. If the Mayor and City Clerk have not approved the sale of the bonds and executed the related bond purchase agreement by August 1, 2025, this resolution shall expire.
- 6. Minnesota Public Facilities Authority Credit Enhance Program
 - A Form of Minnesota Public Facilities Authority (the "PFA") Credit Enhancement Program Agreement (the "Agreement"); and
 - B. Application for Participation in the PFA Credit Enhancement Program (the "Application").

- 1. The Agreement and the Application are authorized and approved in substantially the forms presented to the Council. Submission of the Application to the PFA and payment of related fees are approved. The City hereby covenants and obligates itself to be bound by the provisions of Minnesota Statutes, Section 446A.086, as it may be amended from time to time. The City understands that as a result of its covenant to be bound by the provisions of Minnesota Statutes, Section 446A.086, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.
- 2. The City hereby covenants and obligates itself to notify the Minnesota Public Facilities Authority of a potential default in the payment of principal and interest on the Bonds and to use the provisions of Minnesota Statutes, Section 446A.086 to guarantee payment of the principal and interest on the Bonds when due. The City further covenants to deposit with the Bond Registrar or any successor paying agent three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Minnesota Public Facilities Authority that it will be unable to make all or a portion of that payment. The Bond Registrar for the Bonds is authorized and directed to notify the Minnesota Public Facilities Authority if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the payment is due on the Bonds, there are insufficient funds to make that payment on deposit with the Bond Registrar.
- 3. The City further covenants to comply with all procedures now or hereafter established by the Department of Finance and Minnesota Public Facilities Authority pursuant to Minnesota Statutes, Section 446A.086, subdivision 3 and otherwise to take such actions as necessary to comply with that section. The Mayor and City Clerk are authorized to execute any applicable Minnesota Public Facilities Authority forms and to provide for the payment of the City's application fee of \$500 to the Authority or will reimburse DDA for their payment of the fee on the City's behalf, which fee is required to be submitted with the executed forms.
- 7. DDA is authorized to prepare an Offering Memorandum related to the sale of the Bonds.

The motion for the adoption of the foregoing resolution was duly seconded by Member _	
and upon vote being taken thereon, the following in favor thereof:	

and the following voted against the same:

Whereupon said resolution was declared duly passed and adopted.

STATE OF MINNESOTA)
COUNTY OF FILLMORE	j
CITY OF WYKOFF	j

I, the undersigned, being the duly qualified and acting Clerk of the City of Wykoff, Minnesota, DO HEREBY CERTIFY that I have compared the attached and foregoing extract of minutes with the original thereof on file in my office, and that the same is a full, true and complete transcript of the minutes of a meeting of the City Council of said City, duly called and held on the date therein indicated, insofar as such minutes relate to the City's General Obligation Water Revenue & Disposal System Bonds, Series 2025A in an amount not-to-exceed \$860,000.

WITNESS my hand as such Clerk of the City this 14th day of April 2025.

Becky Schmidt City Clerk

Spring Valley Office: 29359 County 38 Spring Valley, MN 55975 Phone 507-346-7895 | Cell 507-273-2443 Fax 612-605-2375 www.daviddrown.com

RECOMMENDATIONS

VIA EMAIL

Mayor Ryan Breckenridge Becky Schmidt, City Clerk/Treasurer City of Wykoff 217 Gold Street PO Box 218 Wykoff, MN 55990

RE: General Obligation Water Revenue & Disposal System Bonds, Series 2025A

Honorable Mayor Breckenridge, Members of the City Council and Ms. Schmidt:

The purpose of this letter is to lay out my recommendations for the issuance of General Obligation bonds to fund the road and utility improvements being made in 2025.

STATUTORY AUTHORITY

When cities in Minnesota take on debt, they must do so in the form of a bond issue. Further, the city must cite the statutory authority it intends to use that allows it to do so. There are many different "pockets" of authority scattered across statutes, each with its own set of rules and regulations. In this instance, we are categorizing the project as a utility project (water and sewer) since that is, by far, the driving force of these improvements. Water mains are undersized, and sewer mains are so old they are made of clay, which requires their replacement. The road-related expenses are simply an extension of these costs to replace the lines.

I am recommending the City issue bonds under two separate pieces of statutory authority. I am advising the use of authority granted in Chapter 444 for the water related costs and Chapter 115 for the sewer related costs. By doing so, the City can pledge tax levies for the sewer portion of the bonds rather than user fees. The City's water fund can take on new debt payments, but the sewer fund is not as strong, as such we'd like to lean on taxes as we discussed at our workshop several months ago. None of this proposed debt counts against statutory net debt limits.

BOND SIZING

The public costs of this project are summarized as follows:

Construction Costs	599,997
Engineering	142,954
Contingency Amount	45,000
Capitalized Interest	23,474
Issuance Costs (including discount)	43,863
Less Construction Fund Earnings / Rounding	(288)
BORROWING AMOUNT	\$855,000

REVENUE REQUIREMENTS

Based on current market conditions and an approximate 20-year term, I estimate annual revenue requirements of approximately \$67,000. These costs will be covered by a pledged blend of special assessment revenue, water revenues, and tax levies. We expect assessments to generate around \$10,000 per year. The Water Fund is expected to contribute \$33,000 per year. This leaves about \$24,000 per year to be covered with tax levies.

We had planned on a 15-year term originally, but I'm advising 20 years now for a couple of reasons. First, City staff explained to me the burden that the assessments might be on certain properties. Extending the term will obviously lower that burden. Further, the water fund contributions and tax levies are now able to be sized so that current budgeting levels are nearly able to absorb all of the remaining costs without much impact at all on residents (excluding those being assessed).

If rates were to jump by $\frac{1}{2}$ of a percentage point, annual revenue requirements would increase by approximately \$3,000.

METHOD OF SALE

I'm advising the City to pursue a negotiated sale of bonds directly with an underwriter. The bonds are eligible for credit enhancement by the State of Minnesota, but I do not believe it is worth the expense of securing the State rating (about \$13K). This would make a competitive sale not as advantageous as it otherwise might be.

So, a summary of recommended features are as follows:

- State credit enhancement without a State rating
- 20-year term
- Discount allowance of up to 1.75%
- Limited continuing disclosure
- Call option of 2/1/2033

I will plan to present these recommendations and answer questions at your meeting on April 14th. Assuming the Council would like to move forward, please adopt the included "triggering resolution". It will authorize David Drown Associates to negotiate on the City's behalf, and assuming we hit minimum targets the Mayor and Clerk will be authorized to immediately sign a bond purchase agreement. I'd then return on May 12th to present results to the full Council at which time it can affirm the sale via resolution. We would plan to close on funds on May 26th.

I look forward to seeing you all once again next week.

Yours truly,

Mike Bubany, Associate
David Drown Associates, Inc.

City of Wykoff, Minnesota

Proposed for Negotiated Sale
